---

### Professional Summary

Junior web developer specializing in React, with experience in creating modern, responsive, and functional user interfaces. I stand out for my ability to learn quickly, solve technical problems, and collaborate effectively in teams. Currently expanding my knowledge in Angular and Big Data & Artificial Intelligence, fields where I aim to contribute to innovative projects.

---

### Technical Skills

- **Programming Languages:** JavaScript, TypeScript, PHP, HTML, CSS.
  - **Frameworks and Libraries:** React (v.18), Angular (v.18, in progress).
  - **Styling:** Bootstrap, Material UI, CSS3.
  - **Development Tools:** Git, GitHub, Docker, CLI.
  - **Databases:** MySQL, MongoDB.
  - **CMS:** WordPress, Prestashop, Shopify.
- 

### Professional Experience

#### Frontend Developer

**Goltratec** | January 2024 – June 2024

- Designed and developed efficient and dynamic user interfaces using React, JavaScript, and TypeScript.
  - Created and optimized reusable components to improve code structure and maintainability, fixing critical bugs.
  - Implemented responsive designs with CSS3, Bootstrap, and Material UI, enhancing user experience across multiple devices.
  - Automated project tasks with CLI tools, optimizing workflow processes.
  - Actively participated in code reviews and application performance optimization strategies.
  - **Key Achievement:** Improved project scalability by integrating a modular architecture of reusable components.
-

## Relevant Projects

- **Agenda Management Application:**  
Designed a CRUD application to manage contacts and events using React, ReactQuery, CSS3, HTML5, Formik, Yup, and REST API integration. The modern and functional interface enables efficient information management.
  - **Online Book Reading Platform:**  
Developed a digital solution for online reading using HTML5, CSS3, JavaScript, and PHP, demonstrating skills in both frontend and backend development.
- 

## Education

- **Higher Technician in Web Application Development**  
IES Macià Abela | 2022 - 2024
  - **Higher Technician in Administration and Finance**  
IES Santiago Grisolia | 2012 - 2014
- 

## Certifications

- **Angular v.16** – UDEMY: Components, Directives, Services, Reactive Forms, REST API, CLI.
  - **Oracle Certified Foundations Associate:** Database Fundamentals, SQL, PL/SQL.
  - **Introduction to Artificial Intelligence** – UDEMY: History, Algorithms, Applications.
  - **Microsoft 365 Package** – INEM: Word, Excel, PowerPoint, Access.
- 

## Languages

- **Spanish:** Native
  - **English:** Intermediate (B2, certified by Tonbridge School, England).
  - **Catalan:** Expert
- 

## Soft Skills

- Problem-solving
  - Quick learning ability
  - Teamwork
  - Time management
  - Active listening
-

## Availability

Immediate, for remote or on-site work. I am interested in Frontend, Backend, or Fullstack web development roles, but I am also open to exploring new roles that allow me to learn and grow professionally.

---

## Final Note

I am excited about the opportunity to contribute to your team with my knowledge and skills. If you need more information or would like to discuss how I can add value to your organization, please feel free to contact me. I look forward to the opportunity to collaborate with you!
